The space at the bottom of this form is to be used only when specifically instructed by LDR. Otherwise, leave blank.

Please Note: If you received an extension to file your federal tax return for this period, you do not need a separate extension for filing your state return. Louisiana will recognize and accept the federal extension authorizing the same extended due date as the federal. Attach a copy of your federal application Federal Form 7004 to your completed Louisiana return.

For calendar year filers, complete and submit the form below before May 15, 2011, to extend the date to file your Louisiana Composite Partnership return until November 15, 2011.

For fiscal year filers, please indicate the fiscal period below when requesting your 6-month extension to file your Louisiana Composite Partnership return. The due date for fiscal filers is the fifteenth day of the fifth month after the close of the fiscal year.

By filing this extension, you are requesting only an extension of time to file. This form does not grant an extension of time to pay the tax due. Payments received after the return due date will be charged interest and late payment penalty.

You may be able to file your extension on our website at www.revenue.louisiana.gov.
